U11, U12 (9v9)	Two 30 minute halves	4
U13 and U14 11v11	Two 35 minute halves	5

The first team listed on the schedule will be the home team.

The home team must have an alternate jersey and be prepared to change if, in the opinion of the referee, there is a color conflict.

The home team must supply the game ball.

Teams should warm up in an adjoining area by the field and should be prepared to start their game on time. No warm up on the field.

The minimum number of players necessary to start game: 11v11 is 7 (6+keeper), 9v9 is 6 (5+keeper), 7v7 is 5 (4+keeper)

In case of a team not having the minimum number of players to field a team or a “no show” by opponent: the game may NOT be called and declared a forfeit by referee. Referee must consult with assignor and tournament director. The tournament director is the ONLY official that has authority to declare forfeit.

Competition Format

The competition format will be determined by the number of entries per age category.

Referees will enforce the offside rule in all matches regardless of age.

There will NOT be a buildout line enforced in any matches.

The Ohio State Cup Tournament officials reserve the right to combine age brackets should the number of teams participating warrant such a move.

Each team will play a minimum three (3) games. (Exception: in event of opponent withdrawing from tournament or no opponent (TBA), every effort will be made to find an opponent for a “friendly” game, but the tournament cannot guarantee a game.)

Games scheduled for teams with no opponent (TBA) will be awarded the win (1-0) and the points (3).

III. Determining Champions in Each Group

All teams standings shall be determined by using the following criteria, in order of importance.

- 1) Total number of points- each team receives 3 points for a win, 1 point for a tie and 0 points for a loss.
- 2) Record head to head (If 3 or more teams are tied, head to head will not be used.)
- 3) Goal difference- Subtract total goals allowed from total goals scored. Please note: The maximum recorded goal difference in any one game shall be four (4)
- 4) Most goals scored (up to 4 per game)
- 5) Least goals allowed
- 6) FIFA penalty kicks

In event of forfeit, rules 3 and 4 will be placed in a "per game average"

The team's coach or manager is responsible for checking accuracy of scores recorded on game card at field.

IV. Overtime Periods

During group competition, no overtime will be played. Each team will be awarded one point for a tie. In playoff competition, if game is tied at completion of regulation play, no overtime will be played. Teams will go directly to FIFA tie-breaking method of kicks from the penalty mark to determine winner.

If tied at the end of the sudden death overtime periods, a 5-person penalty kick shootout will determine the outcome of the game. Any 5 players may participate but cannot shoot again until every player has shot once including the goalkeeper. If still tied after 5 rounds, a sudden death shootout will proceed one round at a time. The taking of penalty kicks continues, alternatively, until one team scores and the other does not.

A player may NOT kick twice until all eligible players of that team have kicked once. However, if one team has used all of their eligible players in the shootout and the opponent has not, the opponent has the option of continuing to use players who have not yet shot or they may go back to their original players and allow them to kick a 2nd time.

V. Exceptions to FIFA LAWS

Substitutions:

- 1) Substitutes are to enter the game at the centerline on the bench side of the field.

 - e) after a caution is issued
 - f) on a throw in -- If the team in possession of the ball is permitted to substitute, the other team is allowed to also substitute provided the player was already at the center line ready to enter the field.

Heading:

Heading has been eliminated in all matches U-11 and younger. Intentionally heading the ball in these matches shall result in an indirect free kick awarded to the opponent at the spot of the infraction - or from the top of the goal area for infractions inside the goal area.
