Teams should warm up in an adjoining area by the field and should be prepared to start their game on time. No warm up on the field.

The minimum number of players necessary to start game: 11v11 is 7 (6+keeper), 9v9 is 6 (5+keeper), 7v7 is 5 (4+keeper)

In case of a team not having the minimum number of players to field a team or a "no show" by opponent: the game may NOT be called and declared a forfeit by referee. Referee must consult with assignor and tournament director. The tournament director is the ONLY official that has authority to declare forfeit.

Competition Format

The competition format will be determined by the number of entries per age category.

Referees will enforce the offside rule in all matches regardless of age.

There will NOT be a buildout line enforced in any matches.

The Ohio State Cup Tournament officials reserve the right to combine age brackets should the number of teams participating warrant such a move.

Games scheduled for teams with no opponent (TBA) will be awarded the win (1-0) and the points (3).

III. Determining Champions in Each Group

All teams standings shall be determined by using the following criteria, in order of importance.

- 1) Total number of points- each team receives 3 points for a win, 1 point for a tie and 0 points for a loss.
- 2) Record head to head (If 3 or more teams are tied, head to head will not be used.)
- 3) Goal difference- Subtract total goals allowed from total goals scored. Please note: The maximum recorded goal difference in any one game shall be four (4)
- 4) Most goals scored (up to 4 per game)
- 5) Least goals allowed
- 6) FIFA penalty kicks

In event of forfeit, rules 3 and 4 will be placed in a "per game average"

The team's coach or manager is responsible for checking accuracy of scores recorded on game card at field.

IV. Overtime Periods

During group competition, no overtime will be played. Each team will be awarded one point for a tie. In playoff competition, if game is tied at completion of regulation play, no overtime will be played. Teams will go directly to FIFA tie-breaking method of kicks from the penalty mark to determine winner.

If tied at the end of the game, a 5-person penalty kick shootout will determine the outcome of the game. The kicks are taken alternately by the teams. Each kick is taken by a different player, and all eligible players must take a kick before any player can take a second kick.

If, before both teams have taken five kicks, one has scored more goals than the other could score, even if it were to complete its five kicks, no more kicks are taken. If, after both teams have taken five kicks, the scores are level, kicks continue until one team has scored a goal more than the other from the same number of kicks

Only players who are on the field of play or are temporarily off the field of play (injury, adjusting equipment etc.) at the end of the match are eligible to take kicks. If at the end of the match and before or during the kicks one team has a greater number of players than its opponents, it must reduce its numbers to the same number as its opponents and the referee must be informed of the name and number of each player excluded. Any excluded player is not eligible to take part in the kicks.
